

Near the Southernmost point of Africa lies a valley named Hemel-en-Aarde (Heaven and Earth) framed by mountains and within sight of the ocean, with frost free, soft, beneficial weather and the most perfect clay shale vineyard soils. Established in 1989, Bouchard Finlayson is a boutique winery (125-hectare property currently has 22 hectares under vine) dedicated to making wines of outstanding quality. Located an hour and a half from Cape Town near the picturesque town of Hermanus – famous for its whale watching. As one of our sister properties this estate allows us to offer you some of the finest wine the Southern Hemisphere has to offer.
